

Covid-19 protocol followed at the venue

Please note that due to the current spread of the Delta variant of Covid19 in certain parts of the country, we have decided out of an abundance of caution, to implement the following restrictions, not too dissimilar to the one we implemented for the 10 day successful Adhyayana Uthsavam in December 2020 at Charlotte:

- All adults attending the event need to be fully vaccinated against Covid19
- All adults will be asked to fill a Covid Screening Questionnaire form at the door
- The temperature of everyone, including children, will be checked at the entrance
- Face masks and social distancing will be strictly enforced
- All required safety supplies will be available inside the Hall
- Adults and accompanying dependents will be denied entry if they do not comply with the screening process
